SIMEX GROUP GOVERNANCE

Integrity

Integrity starts with individuals, Individuals who are perpetuated by ethics and reinforced by our corporate culture that has put SIMEX GROUP to an impressive position of trust among its patrons.

Empowering Leadership

Challenges can only be met by empowering people at all levels. Making decisions and take actions within the framework of shared vision and mission.

Commitment to National Development

We believe that we must also do our share in nation building through programs in corporate social responsibility that help develop the country as a whole.

OUR STORY & TODAY

Pioneering Excellence Since 1971

Established in 1971, Simex Group stands as a testament to unwavering commitment, entrepreneurial spirit, and a vision for diversified growth. With a rich legacy spanning over five decades, we have emerged as a conglomerate of companies operating across a wide spectrum of industries. Simex Group's journey is one of continual innovation, adaptation, and a relentless pursuit of excellence.

Diversified Industries, United Purpose

At Simex Group, we believe in the power of diversity. Our portfolio comprises a multitude of companies, each excelling in its domain while collectively contributing to our overarching mission – to enhance lives and elevate experiences. From the comforting embrace of our mattresses and linens to the precision of our carton and printing, from the essential purity of our bottled water to the convenience of our retail and car rental services, every facet of Simex Group reflects our commitment to meeting evolving needs with uncompromising quality.

VISION

Simex Group envisions a world where quality knows no boundaries. Our commitment to innovation, integrity, and customer-centricity drives us to consistently raise the bar across every industry we touch. As we step into the future, our mission remains steadfast – to create value, foster growth, and inspire lives.

MISSION

To ensure long-term profitability, increase brand value of product and services, provide career opportunities and create synergies as we build mutually beneficial partnerships and alliances with those who share our philosophy and values. With entrepreneurial strength, we continue to create a future that nurtures to the realization of our business endeavors and personal aspirations.

CSR

We are proud that the group's proven expertise and path of recognition allowed us to be selective in our product and services to be environmentally friendly.

We gave birth to a new leadership when we set our objectives, strategies are developed, initiatives are taken and characters are built for the younger generation.

We respect the national rules as we extend our hand to those who are in need and we embrace culture differences by means of understanding each custom and diversity.

“

We swell significance to the lives of the people, we share in the progress of the country.

”
